Draft Bye-Laws of Madhugiri Town Municipality

8) There are 8 draft Bye-laws which have to be scrutinised. These Bye-laws are stated to be drawn up on the lines of the sanctioned Bye Laws of Chikkamagalur and Tumkur Town Municipalities. Copies of these Bye-laws are not put up in the file. The administrative section may be requested to make available copies of these.

9) There are a number of typing and verbal mistakes which have to be attended to by the administrative section in the first instance. Two Bye-laws only have been corrected by them and even there such errors are found in certain provisions. As an instance, attention is invited to the octroi Bye-laws. Necessary verbal corrections have been made by this Branch. The rates of octroi duty on dry coconuts

Draft Bye-Laws of Madhugiri Town Municipality 2017/BL

exceeds the maximum permissible under the Town Municipalities Act, 1933

10) The draft Bye Laws regulating the system of water supply are in Kannada. It is not clear why the Kannada version has been sent for scrutiny while the other Bye laws have been framed in English. Since the Bye-Laws have to be examined from the legal aspect whether they are intra vires, it will be more appropriate if their English version is made available. So far, no Kannada version of any of the Bye Laws has been received in this Branch for scrutiny.

11) If approved, the administrative section will be requested to do the needful in these matters and then send the Bye-Laws in their form as Sdm along with the sanctioned Bye-laws of Chikkamagaluru and Tumkur Town Municipalities.
